NEW YORK

S1P-Safetyshoe with sole plate for dry work

Breathable knitted textile for optimal comfort and great performance. With this Athletic safety shoe, you get optimal protection while looking good. A highly sporty shoe with optimum performance in the field of safety. New York is the shoe that combines good looks with maximum protection. Thanks to the knitted textile upper and the Nano Carbon Composite protective nose, the New York is particularly light and comfortable. Ideal for workplaces where safety and long-lasting comfort are top priorities. The TPU GripForce® Easy Twist outsole offers maximum grip, is durable and highly recyclable. The integrated lacing in this great shoe prevents pressure points from hooks and eyes and the Hydro-Tec® Antibacterial lining provides optimum breathability. New York exudes pure...
