ZOLDER

S3-Safetyshoe with sole plate for wet work

Classical design, future proof protection.

A classically designed shoe but one that has all the state of the art safety features you'd expect from footwear bearing the EMMA name. It's the lower version of the Zandvoort with water repellent oiled Nubuck uppers, internal steel toe protection. Primarily designed for Metal workers, the Zolder is also popular with people in Agriculture and other outdoor occupations where a strong, safe, comfortable shoe is essential to get the job done.

Produced before week 6 2023: these shoes feature GripForce® Duo outsole, new production has GripForce® Easy Twist outsole.

Industries: Metal industry, Nature & environment, Oil & gas
